A WELL-ROUNDED TEACHER

by:
Ramil S. Gigante
Teacher III Orani National High School - Main

Versatility in a teacher may readily achieved. Being versatile or well-versed may mean that a teacher is well-rounded. A well-rounded teacher nowadays is someone who is knowledgeable, skilled, flexible, pleasing, systematic, effective, passionate and technologically updated.

A well-rounded teacher is well-equipped in terms of knowledge and her or she uses the knowledge to educate and influence the learners in attaining their development and productivity. He or she is a competent teacher and is going beyond the line of responsibility just to educate.

A well-rounded teacher possesses varied skills that are vital in teaching and in doing school tasks and responsibilities. The skills that this teacher exudes would also be transferred to the students that he or she is managing.

A well-rounded teacher should be flexible. He or she knows how to adjust to different learners and situations in the school. He or she is readily capable of doing many things which are related to duties.

A well-rounded teaching has a pleasing personality. He or she can easily get along with others. This kind of teacher practices interpersonal ability in dealing with different kinds of people from all walks of life.

A well-rounded teacher is systematic. This means that he or she utilizes different strategies or techniques to make things well-organized and well-executed. This kind of teacher employs methods in teaching and in other related works.
A well-rounded teacher displays effectiveness. This means that the teacher is able to create impact and influence to every learner. An effective teacher produces learnt students.

A well-rounded teacher is passionate on his or her profession. He or she does his or her work with extreme devotion or commitment. A passionate teacher also enhances personal and professional growth.

A well-rounded teacher at this current time should be technologically advanced. This means that the teacher knows how to utilize technology in teaching and in performing school related responsibilities.

Our society needs a well-rounded teacher, someone who possesses various admirable traits and is always ready to face the huge responsibility and unavoidable challenges in the teaching profession.

Truly, a well-rounded teacher is seasoned, mature, well-verse, experienced and accomplished.
