ADVANTAGES OF TEACHING ARALING PANLIPUNAN

by:

Pere S. Legaspi

Teacher I, Orani National High School – Main Campus

Teaching Araling Panlipunan may be considered and regarded as a great advantage to an educator for various reasons.

Being a teacher of Araling Panlipunan entails several advantages and once these are pondered they may inculcate a big inspiration and motivation to those who would like to embark in this subject area.

The advantages of teaching Araling Panlipunan may be the following:

Through teaching Araling Panlipunan an educator may attain a **discovery of the world**. It is on the hands of the Araling Panlipunan teacher to make use of the books and technology to be able to have a background of various nations of the world for it is very important for the teacher to have a comprehensive knowledge of various nations comprising the globe.

Through teaching Araling Panlipunan the **economy of a country** may be learned since Araling Panlipunan or Social Studies books and other accessible references provide materials dealing with the economic aspects of different countries. Certainly, the economic development and progress of a certain country are being featured in Social Studies subject.

Through teaching Araling Panlipunan the **update on current events** may be achieved. The Social Studies teachers are being prompted to have an update of varied people, places and events which are parts of the current events in the country. It is an enjoyable experience for a teacher to be abreast with the latest happenings in and out of the country.
Through teaching Araling Panlipunan the teacher develops complete awareness on the environment. This subject also covers the physical environment we have. Moreover, it tells us how to protect the natural things around us. Further, it also illustrates the environmental problems that the world is facing at the moment like pollution, climate change and among others.

Through teaching Araling Panlipunan the teacher will have an in-depth knowledge of different kinds of people. Since Araling Panlipunan deals with different races, the teacher may achieve information on the backgrounds, cultures, behaviors, religions, beliefs, arts and ways of living of these people.

Through teaching Araling Panlipunan the teacher may share the success stories of heroes. The stories of heroes are being highlighted and given emphasis in Social Studies class. It is such a great opportunity for a teacher to describe the lives of these people who made significant contributions in the country.

Through teaching Araling Panlipunan the teacher may have a sharing of important facts and figures. The teacher may give a way for the students to trace those significant dates and figures which signify the important and meaningful events in history.

These are the advantages of teaching Araling Panlipunan. The benefit is not only for teachers but it is specifically for the learning of the students. The student are made holistically developed and learned due to the efforts of the Araling Panlipunan teacher who feels the obligation to make the teaching-learning process better and for the students to be globally aware.
