As an annual tradition in the Department of Education (DepEd), Brigada Eskwela is a well-participated and well-celebrated activity being realized in different public schools, both in elementary and secondary levels.

Brigada Eskwela is a reflection of bayanihan, safety, readiness, conduciveness, cleanliness and orderliness.

Through Brigada Eskwela the spirit of Bayanihan is being climaxed. This features the way the people in the school and in the community cooperate with each other in order to prepare and repair the school facilities and environment for the sake of the learners.

The safety of the people comprising in the school is being taken into consideration in Brigada Eskwela. Through the combined efforts of the people working during Brigada Eskwela, the prospective students’ safety is being ensured and guaranteed.

Before the start of the school year, the teachers should realize that everything is ready for the learning of the students. The rooms, chairs, tables, instructional materials and all the school facilities are being checked and prepared so that they would be ready to be utilized by the learners.

The conduciveness of the school is also considered during the Brigada Eskwela activity. This is to make it sure that the learning environment is favorable and helpful to the students. This would also imply that the learning facilities and school facilities are enticing and encouraging to the students.
One of the utmost purposes of Brigada Eskwela is cleanliness. Teachers, parents, students, different organizations and agencies and all other stakeholders are all united throughout this time to provide support to the program for the benefits of the learners as the top priority. Furthermore, it is also advantageous to the health of the school personnel and learners.

Orderliness is also being attained during the Brigada Eskwela. The orderliness in all the materials and facilities inside the school premises and even in the school set up may be considered significant in the Brigada Eskwela undertaking.

Brigada Eskwela is a kind of initiative or program of DepEd that unites all the people in the school even in the entire school community as well. Thus, Brigada Eskwela makes the people united who are directly and indirectly connected to the school. Above all, this program is truly a heroic.
