1. Impost classroom rules

First day of class clear to everybody what to do and what not to do. Have rules represent you basic expectations and make it specific and behavior is observable.

2. Classroom Schedule

Make to them clear the activities to be done every day. Avoid “down time” begin each day early and budget each activity.

3. Physical Space

 Arrange chairs, tables or desks to optimize the most common types of instructional tasks you will have students engaged and your table is exclusive to you.

4. Attention Signal

 Make a signal that may use to your pupils to catch their attention, teach them to respond to the signal by focusing on you with complete silence.

5. Beginning and Ending Routines

 Before pupils enter the classroom greet them, have them feel that they are welcome and prepare task for them in a short period of time. Ending routine ensure that your pupils will not leave the classroom before they have organized their own materials and completed any necessary clean-up tasks. Give a corrective feedback, and to set positive tone for ending the class.
6. Student Work

Plan ahead of time and make an efficient procedures for assigning, monitoring, and collecting pupil’s tasks. Dealing with late or missing performance tasks of a pupil’s.
