What do you think are the Crucial Role of Religion Subjects in educating the young minds of the 21st Century Learners? What are the integral parts of the religious sectors in the educational system of the Philippines? As per stated in the promulgation of our Philippine Constitution, there are separable clause between the church and state. Different church leaders promulgate story books and integrate those verses in the textbook. As you can see, Catholic schools teach their students on how to become religious person through reading the bible, praying rosary and providing quality time to engage themselves in some activities that will promote charity and love of country. In every chapter in the book, there is a corresponding values formation for them to realize and appreciate reality and ethical standards of living. The lifestyle of students nowadays is unusual, hats why religion subjects are also include in the curriculum. They consume 1 hour of our teaching schedule.

On the other hand, according to the comic movie of Aladdin, Who is the most powerful person in the Universe? Jesus Christ his only son, created the heaven and earth and all of the things that we have in our natural environment. Whatever we earn from our fruitful years of being hardworking, we should give thanks to him because he gave us more strength to conquer all the obstacles in life. Those are the challenges that we might face in the future or in everyday living. Give thanks to the Lord as always! Give thanks to the Lord! And Let us rejoice for he is the savior of the mankind. He is alive and enthusiastic. His magical sword is the Gospel therefore; the word of God is the eucalyptus of the holy Eucharist. The different church leaders are his instruments to spread his teachings to the world. He is the well-known preacher from Nazareth who sacrificed his
life for us. Jesus Christ accepts the Messiah. He is entitled to be called as the Son of the Almighty Father.

The Holy Scriptures came from the Hebrews. Even, old and new testament originated from them. If we will review or recap the historical views about how the literature of Palestinian begun, Israelites believe in only one God. Based from the Book of Exodus Moses divided the sea into halves. He led his disciples and safety the people from the cruelty of the Pharaohs. During the night of struggles and fears, the Lord up above called the spirit of Moses. He left a task and that is to ruin the whole world. You can see the Ten Commandments in the Mount Sinai. Moses is entitled to do his part and that is to disseminate the prophecy and make evangelical missions. How the devotees and prophets deliver the spiritual message coming from the holy bible? They migrate to other countries through voyage. Healing the illness and doing good things that are pleasing to the naked eye are their task as an Assembly of God. Above All, thank you Lord for the Book of life and bountiful that full of excitement, pleasure and adventure.

In accordance to the untold stories of the bible, Adam and Eve are the violators because they prefer to eat the apple and obey the demands of the evil and that is the start of the restoration of sins. Another fable touches our heart and that is the beautiful story of The Good Samaritan wherein he helped the wounded stranger in the middle of the street. After his crucifixion, resurrection comes next and the Kingdom of God abruptly rises up and abolishes the damned evil spirits. He never failed me right from the start. As his disciples, we should reunite his disciples in one to place to one another through missionary missions, devotion and Bible study. It's hard to let go or move on. Those are remnants of the past. God always guide and forgive us in our sins and also lead us to temptation and evil. In Jesus name, we prayed Amen.
