As time changes, a new breed of teachers exists. The kind of teachers we have in our society evolves conforming to the standards as prescribed by the present society.

We are very lucky that in the Philippines the teaching profession is progressive because of that a lot of individuals consider this to be a career and at the same time a vocation.

The new breed of teachers is very fortunate to have a lot of blessings that the field of education has conferred to them. That is why it is just proper to describe them in the following ways:

The new breed of teachers is adept in technology. The emergence of computer technology in the new generation of teachers makes them more learnt and updated. They are given advanced knowledge in the field of technology.

The new breed of teachers is dynamic and interactive. The youthful spirit lives within each of them. Thus, the new generation of teacher are lively and opted to cooperation and collaboration.

The new breed of teachers is well-equipped. The knowledge, skills and trainings that they acquired made them proficient in the field of teaching. The new teachers are very fortunate to have the latest and modernized models in the teaching field.

The new breed of teachers is enjoying the novelties in education. Aside from technology, a lot of things are redefined and improved in the teaching field. It is a good
thing that the new teachers are well-acquainted with the latest trends and pedagogies in teaching.

The new breed of teachers is aware of advancement in the profession. The teachers now are inclined with further studies particularly in the Graduate School. They are honing themselves by further studies.

The new breed of teachers is given more seminars and trainings. The teachers nowadays are very lucky to have a lot of seminars and training as provided by the Department of Education. The seminars and trainings are flourishing in order to improve the knowledge and skills of teachers.

The new breed of teachers has a lot of opportunities to face. The new teachers are not given more chances to handle duties and responsibilities aside from teaching and these develop and enhance their leadership potentials.

The new breed of teachers has a lot of benefits. The condition of teacher in the current society has improved. The salaries and benefits at present are conforming to the needs of teachers.
