Total: 100%

I. Skills Exhibition Proper
a. The Event Administrators and their secretaries, technical committee and judges, should be in the venue sixty (60) minutes ahead of the event schedule.
b. Event materials, supplies, tools, equipment and other things needed for the venue will be made ready by the Event Administrator sixty (60) minutes before the event schedule.
c. Checking of laptop that will be used in the event will start sixty (60) minutes before the event starts. This will be done by the Event administrator and respective coach of the participating school. Remember that the laptop must be newly formatted to ensure that no html files and images are stored on it. Make sure also that all the needed software are installed properly to avoid delay of starting the event.
d. All participants should be at the designated venue thirty (30) minutes before the event starts. Late participants without valid reasons shall be disqualified.
e. A contestant will be given assigned place based on the numbering set on the registration. Contestant must proceed to his/her laptop and setup their food and materials. Setting up of their extension cords, equipment, and tools should be done during this time.
f. Briefing of participants will be done fifteen (15) minutes before the scheduled event.
g. The Event Secretary will give the signal for the event to begin. Once the event has been started, the coaches, teachers, delegates are no longer allowed to talk to the participants to give them full concentration in their work.
h. Only the Event Administrator, Secretary, technical, judges, official photographer and participants are allowed in the venue.
i. No questions shall be entertained during the contest proper except clarifications and points of order. All clarifications and points of order will be directed to the Event Administrator.
j. Should there be any irregularities found during the event, the Event Administrator, in consultation with the Board of Judges, may suspend the conduct of the specific skill exhibition if justified and refer the matter to the attention of the Technical and evaluation Committee for appropriate action.
k. Borrowing of materials, tools, supplies during the event is not allowed.
l. A period of four (4) hours is given to finish the website.
m. Use of any built-in template, template wizard, or template from the internet or any other source is not permitted, and is considered cheating.
n. Once finished, contestants then raise his/her hand and the completion time is taken for record purposes. Contestant will then be queued to the website presentation.
o. No contestant is allowed to edit his/her website once he/she was declared done.
p. Decision of the Board of Judges is final.
q. In case of ties, a tie breaking activity or task will be administered by the Board of Judges.
r. In case of hardware, software and other incidental problems that may occur during the contest proper, an extended time will be given to the contestant to compensate for the delay.
